## Our Favorite Feature:

*Easy to Operate and Maintain* -Canon offers a number of customer support tools to improve ease-of-use. The Canon Tutorial CD is an animated, interactive, step-by-step training guide equipped with audio instructions to accompany every feature and function. Users will also receive Operator's Manuals on CD in electronic format instead of bulky hardcopy, for easy searching and sharing. The enhanced help key offers a colorful, easy to read menu to allow users to quickly receive explanations and instructions for using features right at the control panel. Plus, the imageRUNNER 5065 offer a host of device management features that ease administrator / user burdens associated with installing and monitoring.
